## HAIR CUTTING/STYLING

### AFRO STYLING AND FINISHING WITH LISA VANN <sup>A</sup>

**March 26: Nashville; April 1: Dallas; May 20: New Orleans**

This class will deliver advanced styling in highly textured hair. You will learn the latest styles in highly textured hair from press and curl, blow outs, twist sets and waves. We will be working with press comb, marcel irons and flat irons incorporating some of Aveda Brilliant™ products and the Be Curly™ line. Tripod Required. **Tuition: \$250**

### BRIDAL BOOT CAMP WITH NATHANIEL HAWKINS <sup>A</sup>

**March 5: Austin**

The first step in every hairstylist's journey is toward mastering dramatic up-styling. This intense one-day program will build confidence and eliminate fears associated with the bride's big day. Learn the essentials of bridal hair, including proper Aveda styling product choice and application, setting, pinning, backcombing, and finishing techniques. Securing veils, headpieces, flowers and other embellishments will be covered. This class is a must for anyone who styles hair up. Tripod Required. **Tuition: \$275**

### CONTEMPORARY CREATIVE CUTTING WITH GENO CHAPMAN <sup>A</sup>

**April 16: Nashville; May 21: Dallas**

In this one-day hands-on class, you will learn about taking the fundamental disciplines of Shape vs Technique and applying it to hair cutting to help improve and expand on your designs. Refine your skill set to help you improve on building true shape and better techniques and finding the differences and balances between the two. Tripod Required. **Tuition: \$175**

### CREATIVE CUTTING WITH JAMI EASTIN <sup>A</sup>

**May 14: Memphis**

This one-day interactive workshop will give you a new perspective when you are seeking some new inspiration to help create diversity in your cutting style. This class is designed to inspire and push your creativity by using all aspects of combination cutting and technique. Designed for advanced stylists looking for a fresh perspective, this class will take you to new places. Tripod Required. **Tuition: \$175**

### DETAILS ON UPDOS WITH JOHNNIE MORGAN <sup>F</sup>

**May 7: Nashville**

In this class you will learn the ins and outs of updos while learning classics as well. We will focus on curling iron, finger waves, flat-ironed curls, French braids and cornrows. We will also learn the classic chignon, French twist and drape. Tripod Required. **Tuition: \$175**

### HIGH FASHION: RUNWAY TO REALITY WITH NATHANIEL HAWKINS <sup>A</sup>

**March 4: Knoxville**

This evolving one-day class focuses on the hottest current looks from the runway, red carpet and editorial pages. In it you will learn the advanced skill of working at the level of an Editorial Hairdresser. A range of looks from salon-friendly to high-fashion will be covered. Learn the essentials of creating photo-shoot worthy hair styles that will elevate your professional opportunities. Discover the secrets of incorporating hair extensions and new applications of Aveda styling products. Tripod Required. **Tuition: \$275**

### MEN'S MODERN CLASSICS WITH SUSAN FORD <sup>A</sup>

**March 5: Houston; May 14: Nashville; June 10: San Antonio; June 11: Austin**

From the Rat Pack and The Beatles right through to today's pop culture, we will look at where to draw inspiration when creating a customized look for your male guest. You will learn three classic male haircuts inspired by legends and icons of the past. These cuts are true standards to which you will add your own style. You will have the opportunity to elevate your skills using various tools for each cut; beginning with a razor for a longer look, scissors for a tailored look and clippers for a “fade” – and yes, we will take the fear out of fading! You will also learn to inspire stylists to ignite a passion for a higher level of men's haircutting. Tripod Required. **Tuition: \$175**

### ON THE UPBEAT WITH JAMI EASTIN <sup>A</sup>

**April 2: San Antonio; May 7: Oklahoma City; May 21: Hammond**

This workshop focuses on the fundamentals of up-styling. You will be learning the three bases of up-styling, curling techniques, French twist, chignon, pony tails, how to place and secure hair and consultations. From iron work to shape building, by the end of class you will be designing or recreating the up-styles you have been wanting to construct. Come with inspirational images of up-styles you have wanted to do behind the chair, and we will break it down one-on-one on the how to's. This workshop will help you build and execute great styles and looks for all occasions! Tripod Required. **Tuition: \$175**

### PURE FORM WITH HAUNS KORPELA <sup>F</sup>

**February 19-20: Dallas**

What's the secret behind a great hair cut? Rock solid technique. From traditional to trendy, every cut is built on four basic cutting techniques: one length, horizontal graduation, vertical graduation and layering. In this course, you'll learn the principles of the Aveda Hair Cutting System and how to achieve precise hair cut shapes through a proper blend of technique, discipline and control. Tripod Required. CEU eligible pending approval. **Tuition: \$275**

### SALON STYLING ESSENTIALS WITH JAMI EASTIN <sup>F</sup>

**February 27: Chattanooga; March 12: Memphis**

Bring out the beauty in your haircuts with smart styling. In this hands-on course, you'll play with the entire domain of Aveda styling products and learn how to incorporate them into essential styling methods including brush work, iron work, drying techniques and curl/wave enhancement. Tripod Required. **Tuition: \$125**

### TECHNICAL TEXTURE WITH HAUNS KORPELA <sup>A</sup>

**March 25-26: Oklahoma City; June 10-11: Nashville**

Take your technical and creative edge to a new level with Technical Texture. Utilizing the concepts of Pure Form, you will learn how to create texture within haircutting. Discover how to create the type of texture that will support your client's current look to a new trend. The class looks at the creation of texture within one-length, graduation and layering by trying on each approach within each technique. Then you will stretch your mind and imagination in creating haircuts with only texture. You will learn the process in which looks are broken down to create a new hair cut from the technical cut to the style and the finish. Technical Texture starts the process of opening your mind to a creative edge when working behind the chair and keeping your clients hair feeling current with trends today and in the future. Prerequisite: Pure Form. Tripod Required. **Tuition: \$275**

### WOMEN'S MODERN CLASSICS WITH SUSAN FORD <sup>A</sup>

This course focuses on how to bring your unique vision to life, build a sustainable salon culture and develop your leadership skills to create a positive salon environment that keeps your team happy and leads your business into the future. **Tuition: \$195**

### ABC: FIERCE CONVERSATIONS WITH SCOTT BUCHANAN

**March 18-19: Dallas**

The simplest definition of a fierce conversation is one in which we come out from behind ourselves, into the conversation, and make it real. Learn how to ignite productive dialogue that interrogates reality, provokes learning, resolves tough challenges and enriches relationships. It's the place to begin—the cornerstone of great leadership, healthy cultures, intelligent strategies and wholehearted execution. **Tuition: \$375**

### ABC: MAXIMIZE YOUR FRONT DESK WITH LUCA BOCCIA

**May 7: Houston**

A guest's first impression of your salon begins when they call to schedule an appointment—making your front desk staff an essential part of your success. Discover how to equip your team to make guests feel welcome and contribute to the growth of your business through smart scheduling, pre-booking strategies and front desk rituals that are proven to win guests over—and keep them coming back. **Tuition: \$195**

### ABC: STAFF MEETINGS AND COACHING WITH SCOTT BUCHANAN

**June 3: Knoxville**

The key to implementation and execution is buy-in. Learn fresh approaches to motivating and coaching your team, including how to design and run the perfect staff meeting. Then use six-step Aveda coaching model to inspire your team members to achieve your business goals and deliver the results you want. **Tuition: \$195**

### INSPIRED COACHING FOR SALONS AND SPAS

**February 20: Knoxville**

The most successful businesses have successful coaching! A coach is someone who supports, explains, demonstrates, instructs, and directs others via encouragement and questions to bring out the best in each individual on their team. It is also an on-going professional relationship that helps people produce extraordinary results in their lives, career, business or organizations. In this course, you will feel confident in the implementation of creating a development plan, building relationships, planning for a coaching session, implementing the 6-step Aveda coaching model and how to give feedback that is relationship building. The most important key to achieving great success is to decide upon your goal, get started, take action, and move. Join us in this inspiring workshop to launch your coaching plan in your business. **Tuition: \$50**

### PRESENTATION ADVANTAGE

**March 4-5: Hammond**

Bring ideas to life. Perform, project, and persuade with Presentation Advantage. This two-day workshop teaches you how to make your presentations more compelling and persuasive. This dynamic workshop will help you bring your ideas to life through engaging, persuasive and well-organized presentations. From developing content to engaging your audience, you'll learn and practice every stage of building a great presentation. When done effectively, presentations have the power to produce change! **Tuition: \$225**
